

MARCH 25 – 26, 2019 | MARRIOTT EATON CENTRE HOTEL | TORONTO

The 2019 Regeneration Forum, **Road Map to Development**, is focused on the planning, design and execution of affordable housing. The event is designed to inspire strategic visioning as well as to demonstrate the technical tools and practical how-tos of development.

WHO SHOULD ATTEND?

From senior executives and policy makers, to administrators on the front lines who influence change from the ground up, there is something at Regen 2019 for everyone!

Learn how to navigate the development process for new builds or renewals, with a focus on the physical asset, finance, partnerships and community.

Explore new ideas and approaches to rethink affordable housing development in your communities.

Find the best strategies and tools you need to plan for, maintain and grow your organization's assets.

Network with your peers and develop partnerships across the housing sector.

WHAT CAN I EXPECT?

The 2019 Forum will feature thought leaders from the affordable housing sector that will provoke new thinking with respect to transforming assets and the provision of housing.

The two-day event is structured to include one **Technical Learning Day** where participants have the opportunity to gain in-depth knowledge and engage in a dialogue about the technical aspects of development; and an **Innovation Day** that will showcase unique examples, and share lessons from industry leaders to inspire new ideas.
